

Intangible Cultural Heritage for Sustainable Cities and Communities

Perspectives for Integrated Safeguarding of Cultural Heritage in the Asia-Pacific Region

Organized by: International Research Centre for Intangible Cultural Heritage in the Asia-Pacific Region (IRCI)

In cooperation with: Project Based Learning, Faculty of Contemporary Social Studies,
Doshisha Woman's College of Liberal Arts (PIC: ONISHI Hideyuki)

This symposium aims to deepen our understanding of the interaction between tangible and intangible heritage and their integrated safeguarding, as well as the community-centered approaches to the holistic safeguarding of cultural heritage, by highlighting various 'intangible' components that constitute cultural and historic landscapes.
